*****Applicants living inside city limits will pre-pay for sanitation charges.*****

Applicant warrants that all plumbing is in good working order and that no water faucets, inside or out are left open. It is further agreed and understood that if damages to the property should result from broken pipes, leaking plumbing, open faucets, or other malfunctions of appliances or equipment, when service is connected that it shall be the sole responsibility of the applicant and/or property owner and the Ward Water and Sewer System shall not in any way be held liable.

***** Applicant must be on premises before water can be turned on. If applicant is not present when our field operator arrives, he is only allowed to unlock the water meter. The customer will be responsible for turning on the water at the meter. The Ward Water System will not be responsible for any damage if applicant is not present when meter is unlocked. *****
